

Our Common Ground, of Erg'OH Conseil Sarl, statement of values

Authentic	We support each other in being ourselves and behave in a true matter.
Collaborative	We strive working together to generate more impact.
Commitment	We are devoted to our cause and our values-based common ground.
Common good care	We apply an attitude of respect and attention to others and our planet, recognising we must also consider ourselves.
Conscious	We act fully aware and respectful upwards our entire environment.
Constructive	We continuously seek to improve ourselves, others and what we do.
Empathy	We do our utmost best to understand others, support them in their feelings and be there for them.
Equality	We grant everybody a same level of respect.
Fairness	Any relationship we build is unbiased and continuity based.
Holistic	We embrace an all-inclusive view to ourselves, people, planet and profit.
Honesty	We share the truth and prefer working with others who do the same.
Human-focused	We embrace the fullness of every human being.
Integrity	We embody congruence of thought, word and action.
Kindness	We behave sympathetic with everybody.
Nonviolence	We cultivate an environment without intimidation or manipulation.
Openheartedness	We live with sincerity and passion in everything we do.
Personal growth	We aim to continuously improve ourselves and others on all levels.
Respecting others	We treat all individuals with dignity.
Responsibility	We are accountable embedding our values-based common ground.
Self-reflective	We act self-aware and offer, listen to constructive feedback.
Transparency functioning.	We share with each other all crucial information for an optimum
